

TECHNICAL DATA SHEET

PUREOIL WPO (PULLUP OIL WATER SOLUBLE)

PUREOIL WPO- is a blend synthetic and natural oil for PULL UP effect when applied on leather.

CHARACERISTICS

Appearance	: Brown liquid
Nature	: synthetic and Natural oil ; Water dilutable
Solid content	: 98%
pH 10% emulsion	: 7.5
shelf life	: 6 months

PUREOIL WPO is a specially blended oil based product which imparts good pull up effect on ironing when applied as such or by diluting on full grain or on slightly stuffed leathers.

PUREOIL WPO helps in effective masking of grain defects of grain defects of leather and have good softening properties. It imparts a characteristic greasy touch to the treated leather. The product is normally applied by roller coating machine.

The treated leather must be aged at least 12 hours before further coating if second coat is necessary to achieve the particular result. Leather coated in the manner may be plated at 100°C/50bar or Finiflexed at 130°C with minimum pressure after complete drying and
